

# Eagles Extra Newsletter

The Island View School community is invited to send in donations to support the Saint John SPCA. We are accepting donations of cat food, dog food, gift cards (anywhere pet supplies are sold), and cash. We are collecting donations until Fri. Feb. 27. The classroom that brings in the most donations will go on a field trip to the Nature Park in early May. Thank you so much for supporting such a great cause!

**Thank you to our Home and School Committee for delivering delicious snacks to the staff at Island View School this week to show their appreciation. It was well received & enjoyed by teachers and staff.**

**School Exclusion Guidelines**  
To stop the spread of illness, please follow the Public Health guidelines: "Children should be fever free for 24 hours without fever reducing medications, free of vomiting and/or diarrhea for 48 hours, and well enough to attend school."

**Late Arrivals**  
Please, *do not* use the bus lane during the school day when you are running late. We have special needs busses arriving and children are playing outside on the playground. Drive around the back of the school, park at the B doors, and walk to the A doors for entry. Thank you for keeping our students safe.
