

Eagles Extra Newsletter

We've been tracking the Olympic medals here at Island View. It's been a topic of conversation in many classes!

It's hard to leave the hockey game when it's time to go outside for recess! Good thing we can keep an eye on the score from the classroom windows

Skate times are:
1:00–2:00 PM or 2:00–3:00 PM

A parent must accompany their child on the ice and provide supervision at TD Station. All skaters are required to bring their own skates and a CSA-approved helmet.

The Island View School community is invited to send in donations to support the Saint John SPCA. We are accepting donations of cat food, dog food, gift cards (anywhere pet supplies are sold), and cash. We are collecting donations until Fri. Feb. 27. The classroom that brings in the most donations will go on a field trip to the Nature Park in early May. Thank you so much for supporting such a great cause!
