Let's Get Active!

We're excited to get started with another exciting year of physical education at Island View School!

We are lucky to have such an incredible outdoor space at our school which we are trying to expand through our playground giving tree fundraising project that you can read more about on our website.

With our current outdoor space, we will be introducing many outdoor games such as 4 - square, grounders, rock paper scissor showdown, hopscotch and around the world while teaching other fundamental movement skills on the field.

For grade 3-5 students, our cross-country program has begun. If your child is interested in participating, make sure they listen to announcements for practice times! Permission slips will go home this week.

On September 29th Zack McBriarty from Fundy Lacrosse will be joining us to teach students the history of lacrosse and a few different skills.

In accordance with our safety guidelines, all students in the gymnasium must wear indoor sneakers. This is to minimize injuries and ensure everyone can enjoy the space safely.

We're looking forward to a great school year!

Calendar Events

[Click here](#) to check all the events on our school calendar.

Please pay your child's \$40.00 student fee per child through School Cash Online by September 29, 2026. Please note that the student fee must be paid before purchasing any additional school items, including concerts, musicals, school clothing, and other school-related items. Thank you
